Agreement for Electric Service (New Construction)

This **AGREEMENT** is made by and between the Gila River Indian Community Utility Authority (GRICUA) and _____ (the "Applicant").

WHEREAS, GRICUA is authorized by the Gila River Indian Community to provide electrical services; and

WHEREAS, The undersigned Applicant hereby agrees that GRICUA will deliver electric energy to and for the equipment hereinafter described, at the location shown below, in accordance with the applicable rates and rules of GRICUA.

NOW THEREFORE AND IN CONSIDERATION of these promises and of other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. GRICUA has made available for inspection its applicable Rules and Regulations for Electrical Service (hereinafter also referred to as "Rules and Regulations"). Applicant agrees to comply with the Rules and Regulations unless otherwise indicated within this Agreement and with any changes or modifications thereto which may be authorized from time to time.
2. Applicant's attention has been directed to the rate schedules applicable to the service herein described, and Applicant has elected to take and pay for service under Schedule E- 902.
3. Payment Assistance
The Applicant hereby authorizes GRICUA to contact the District Service Center ("DSC") if bills are not paid on time to determine if the Applicant has contacted the DSC for payment on Applicant's behalf. This does not release the Applicant from paying their bills on time nor does it limit GRICUA's remedies for non-payment.
4. Applicant hereby grants to GRICUA a service line right-of-way for any and all electric lines and/or facilities, which may be necessary to build in, on, under or over Applicant's premises for the purpose of making delivery hereunder. If rights-of-way on other properties are required for the line extension, Applicant shall obtain these rights-of-way per section 5.1 of GRICUA's Rules and Regulations.

5. Applicant is providing the following information on loads to be immediately connected to permit GRICUA to determine facilities required to provide service.

Electric Service Voltage 120/240 Volts
Electric Main Service Rating 200 amperes

6. Deposit on Electric Account

Section 4 of the Rules & Regulations covers the conditions relevant to deposits. A deposit may be required for each electric account. The amount of the deposit shall be calculated according to Section 4 of GRICUA's Rules & Regulations. The Applicant agrees to pay the following deposit to secure payment of the account. The requirement can be waived if the applicant obtains a letter of good credit from another electrical utility.

Amount of deposit required for this account: \$0.00

8. Disputes

Disputes that arise under this Agreement shall be resolved pursuant to Section 2.1.8 of the GRICUA Rules and Regulations for Electrical Service.

9. GRICUA Rules and Regulations for Electrical Service:

The GRICUA Rules and Regulations for Electrical Service are hereby incorporated by reference into this Agreement; provided, that if the provisions in the Rules and Regulations are in conflict with this Agreement, the terms of this Agreement shall control.
