APPLICANT AUTHORIZATION, RELEASE, AND STATEMENT

I understand that this application is not a contract of employment and will be active for a period of 90 days. After that, if I wish to be considered for employment, I must submit a new application.

I understand that GRICUA will make any investigation of my background as necessary and verify information given on this application, related papers, and in interviews. I authorize schools, former employers, except my current employer if so noted and former supervisors to provide any and all information related to my work and personal history and hereby release those providing such information from any liability for doing so.

I understand that employment, if offered, is contingent upon my providing proof that I can legally work in the United States. I understand that Gila River Indian Community Utility Authority (GRICUA) is a drug free workplace and reserves the right to enforce drug testing for marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP) for pre-employment based on the job for which I am hired. In addition, I understand GRICUA may conduct drug/alcohol testing including testing for illegal use of prescribed drugs at any time on a general, random follow-up, post-accident, or for cause basis during my employment. Failure of such drug/alcohol tests may result in rejection of my application or termination of my employment with GRICUA.

I understand that should I accept an offer of employment from GRICUA my employment during the orientation period will be "at-will". This means that either GRICUA or I may terminate my employment at any time, for any or no reason whatsoever, with or without good cause, and without liability. I understand that I should not rely on any oral or written statement contrary to my "at-will" employment status.

I certify that the information given by me in this Employment Application is true and complete. I understand that any falsification, misrepresentations, or material omissions will be sufficient for dismissal or refusal of employment.

For CDL positions:

I understand that information I provide regarding current and/or previous employers may be used, and those employers will be contacted for the purpose of investigating my safety performance history as required by 49 CFR 391.23(d) and (e). For that information, I understand that I have the right to:

- Review information provided by previous employers;
- Have errors in the information corrected by previous employers and for these previous employers to resend the corrected information to the prospective employer(s); and
- Have a rebuttal statement attached to the alleged erroneous information, if the previous employer(s) and I cannot agree on the accuracy of the information.

I have read all the above, understand its content and meaning, and voluntarily and freely agree to all of its provisions.
